Date: _____ (Date of which letter is written)

Dear Stephanie,

I am really sorry for my rude behavior with you last week. It was not intentional but I could not help it. I was waiting for you desperately and you were almost late by two hours. You were trying to say something and I shouted at you. You also became angry and left the place in a hurry. Please try to understand my position. I never meant to hurt your feelings. I lost my patience, was hungry and became angry. I know I should have controlled my emotions. But I was helpless at that time.

We have been friends for the past couple of years. There were ups and downs in our relationship. We always tried to patch up the relationship whenever there is a disturbance. In any relationship it is common for mistakes to happen. It all depends on how we solve these problems and understand each other. I promise you that I shall try my best to improve my behavior, learn to control my emotions and behave in a more matured manner.

As I believe that this time mistake has occurred because of my fault, I do not hesitate to say sorry to you. I hope you will understand and forgive me.

I am sending flowers along with this letter. Please accept them and make me happy.

Looking forward to meet you

Yours lovingly,

Tom
